The Code

- Lots of code to review
- All experimental
- None of it pretty or production-ready
- Lots of opportunity to improve it

The Concepts

- Several key concepts to cover
- All have real-live examples
- Most all can be applied to your own work
- Lots of opportunity to contribute

Today's Schedule

- 08:00-09:00 - Breakfast and Registration
- 09:00-10:30 - Session One
- 10:30-11:00 - Coffee break
- 11:00-12:30 - Session Two
- 12:30-13:30 - Lunch
- 13:30-15:00 - Session Three
- 15:00-15:30 - Coffee break
- 15:30-17:00 - Session Four

Finally

- Feel free to move about
- Take your own breaks as needed
- Stop me when I say "odd things"
- Discuss, compare, enjoy
